Thank you for reaching out . The only interfund transfers between Fuel and Street is the transfer of the use of fuel by the Street department. Fuel did not have any interfund transfers to the Street department.

In regard to my 12/19/24 public record request for "A printout showing all FY24 (10/01/23 - 09/30/24) interfund transfers between FUEL and STREET funds with dates, amounts and descriptions."

Today, 01/03/25, I received one document showing transfers from STREET to FUEL. For clarification purposes, am I to infer that there are NO transfers from FUEL to STREET during the FY24 timeframe?

Thank you in advance for your clarification.
